The Governing Body in its 150<sup>th</sup> meeting held on 28<sup>th</sup> February, 2014 vide agenda item no. GB-150/8 considered the representation of 17 faculty members who were not found fit by the Standing selection Committee in their meeting held in April, 2013 which includes the representation of **Dr. Sheffali Gulati**. The Governing Body referred back all those 17 cases to the Standing Selection Committee for review. Accordingly, the members of the committee and the new subject experts interviewed and assessed the candidate. They considered the Annual Confidential Reports of the candidate for the assessment period and performance of the candidate during the interview with regard to his research projects/research publications, knowledge, skills and attitude for patient care, laboratory work, teaching activities and relevant records related to the candidate including the assessment of the candidate done by the two subject experts with regards to his/her competency, professionalism, proficiency, attitude and leadership quality. Taking into consideration, all these factors in his/her performance, the Standing Selection Committee graded him as fit or unfit and the committee accordingly recommends fit candidate only for promotion to the grade of **Professor of Paediatrics** under the Assessment Promotion Scheme as per eligibility from the date as shown against each one, as under :-
