**Subject:** List of Dept. / Labs investigations covered under Revolving Fund

To,

The Medical Superintendent,

Respected Sir,

This is to bring to your kind information that a few of AIIMS Labs function on revolving funds. The services/investigations of these Labs are marked as revolving fund in e-hospital system. However, some labs had raised the concern that there are discrepancies in the amount collected from patients as investigation charges against amount transferred to their revolving fund.

Therefore, it is requested that department/lab wise comprehensive list of all investigations along with price rate covered under revolving fund may please be provided as earliest.

With kind regards,
