- i) Anesthesia
- ii) Orthopedics
- iii) Physiology
- iv) G.I. Surgery

Committee decided that exchanges may be made to achieve 50% reservation in these 04 departments.

- 2) Liaison Officer for EWS suggested that EWS seats should be evenly distributed amongst various departments to be extent possible. Committee deliberated on all suggestions made by al members and decided that proposed roster can be finalized with inclusion of changes in para(1) above.

The Committee decided that the Final Roster after making above changes as indicated will be put up to the Competent Authority for approval.
